

*Dear customer,*

*thank you for purchasing a stylized poster that will surely contribute to a higher quality of life for you and your family. With this purchase, you have taken a big step towards adopting healthy eating habits from an early age and thus you have significantly protected the health of your children. I greatly appreciate your trust and I hope that the poster will decorate a special place in your home and help the whole family.*

---

*In order to achieve the best possible appearance and durability of the poster, I recommend that you print it on **140 gram Kunstdruck** or **Citylight white paper** or similar as recommended by the studio you will contact for printing. Frame it to last for many years. Preparation for printing in high resolution is in another .pdf document.*

*I hope you and your family enjoy your new poster! If you have any questions or need further advice, please feel free to contact me.*

*Best regards,*
